

HVAC Inside Sales Services

Services include:

- Cold calling
- Business development
- B2B telemarketing
- Lead generation
- Appointment setting

We create a custom cold call program designed specifically around your unique needs.

Cold calling for hot leads!

You provide us with your:

- Program goals
- Ideal client profile and service area
- Overview of your offering
- Company brochures

We handle all the details and provide you with:

- A customized scripting package
- A contact list based upon your parameters
- The program outline
- New sales leads and new sales appointments

World Class Services

More than motto!

It describes who we are and what we do.

And ultimately, we provide you with new opportunities to meet new prospects, conduct new sales appointments, develop new relationships and **increase your sales and revenues.**

Who is Rich Enterprises, Inc.?
